Set in a low density area of the city amidst lush greenery, yet with convenient access to the heart of the city's business districts. Lotus at Jervois is a quiet, elegant residence offering the privacy you require and the very best of living – a true home away from home.

Each of the spacious one- to four-bedroom tastefully furnished apartments opens out onto lush surroundings via large windows, private balconies and terraces, creating a light airy ambience in every room. The roof-top garden is a unique feature offering a breathtaking private vista of the island's cosmopolitan landscape – a coveted view to be enjoyed over a leisurely breakfast, a sunset-infused dinner or a romantic moonlit rendezvous.

The ultimate in resort-style luxury, designed to complement your lifestyle – everything you need to make Singapore your home.
